The NDSC Convention is where the Down syndrome community comes together. It is a one-of-a-kind experience with opportunities to learn from world-renowned experts but also a time to spend quality time with family and friends. It is why so many of our attendees call it “the greatest family reunion.”

It’s simple, your DSA pays for one registration for General Conference, Youth and Adult, or Siblings and NDSC will give you one free registration code to use.

Also, if your DSA sponsors a family of up to four for $2100 your DSA NDSC will sponsor a second family from your DSA!

The family that is sponsored will receive 3 nights of hotel accommodations, daily meal vouchers for up to 4 people, up to 4 NDSC 51st Convention t-shirts, and the choice of 5 items listed below.

- General Conference Scholarship
- Youth & Adults Conference Scholarship
- Siblings Conference Scholarship
- Deep Dive Session
- Kids Camp (2 sessions included)
- 4 Tickets to the Saturday Night Banquet

(Multiples of the same may be selected, i.e., 2 family members may receive scholarships for General Conference or attend 2 Deep Dives)

Registration also includes more learning, networking, and social opportunities outlined at www.ndsccenter.org/annual-convention.

If you would like to use this matching program, please contact NDSC Engagement Director Rhonda Rice at rhonda@ndsccenter.org after you submit your sponsor information online and begin Making Dreams Come True!

The General Conference is designed for family members and professionals. Attendees have access to nearly one hundred 90-minute interactive workshops over six workshop cycles presented by world-renowned experts covering topics that cover the lifespan. Attendees will receive access to all recorded sessions.

The Youth & Adults (Y&A) Conference is the heart and soul of the NDSC Annual Convention. This conference is just for self-advocates (individuals with Down syndrome). It is designed to be a fun, educational, empowering, and inspiring experience for self-advocates ages 15 and older.

The Siblings Conference is a place to learn, be inspired, and grow. Participants will learn about Down syndrome and disability-related issues, including how to advocate for their brothers and sisters. Attendees are broken into three groups by age and participate in interactive activities led by experienced siblings.

Deep Dive Sessions allow attendees to spend three hours intensely focused on a specific topic with discussions led by an expert in the field. The sessions are structured to include research-based content, share best practices, and provide proven “how-to” strategies. Deep Dives are offered in two sessions, each with multiple topics.

Kids Camp is a place for parents to leave their young children during designated times in a safe, structured, and fun environment. Kids’ Camp is available for children with or without Down syndrome, ages six weeks to 14 years old.
