

Dear Senator (insert name),

I hope you are doing okay.

I just started a new job at am KU Med. I am a Patient Greeter. I love my job. I love helping other people. I love making my own money. I put part of my money in my ABLA Account. That makes my heart happy. Maybe you could come visit me at KU Med?

Thank you for being a co-sponsor of the ABLA Age Adjustment Act.

Would you please sign on to as a co-sponsor for the [SSI Savings Penalty Elimination Act \(S. 4102.\)](#) Senator Brown (D-OH) and Senator Portman (R-OH) introduced it. It would update the amount of money you can have and still get Social Security. I was not even born when the current limits were put in place. The current SSI rules make it very hard for couples with disabilities to get married. This also helps with that. I want to get married. That's another reason this is important to me.

If you have questions, please let me or my mom know. I really do hope you will visit me at my job. Thank you for your time.

Your friend,
Rachel Mast
